

PROACE VERSO

A SMOOTH DRIVE EQUIPPED FOR AN EASY LIFE

The Proace Verso continues our history of versatile people carriers, by offering spacious travel and practical solutions for the most active lifestyles.

SIT BACK AND RELAX

The Proace Verso's comfortable, high-quality cabin equipped with the latest technology makes the longest journeys pass by with ease.

Whether it's keeping your business moving or your family entertained, the Proace Verso makes every journey supremely comfortable. Enjoy a driving experience that soothes with supportive seats, a supple ride and hushed noise levels. With keen attention to detail, the Proace Verso treats you to a superior driving position, thoughtful ergonomics and a high level of standard specification.

If it's the finer things in life you covet, the VIP grade has it all: luxurious massaging leather front seats, second-row captain seats, rail-mounted seats and rear passenger lounge table, privacy glass, large colour touchscreen and upgraded central combination meters. Quality that's a match for any VIP guest or red carpet occasion.

Family and VIP grades feature a high-resolution Pro-Touch multimedia system with navigation system, complete with Connected Services for 10 years. Features include: real-time traffic, TomTom places, weather, parking, fuel prices and danger zone (speed camera) alerts, as well as the convenience of Bluetooth® calls and multimedia.

PRACTICAL

Model shown: Shuttle grade

SPACE THAT ADAPTS TO YOU

Accommodating, versatile and comfortable: the Proace Verso has practical solutions for the most active of lifestyles.

Life's made easy whatever the situation in Proace Verso thanks to smart solutions that provide impressive versatility for larger loads and maximum practicality for your passengers. Folding seats (which come with upright folding on Family grade) and rail seats* (that can be repositioned or removed completely) allow you to configure the load area exactly how you need it, while convenient fold-up tables** let passengers settle back to work, rest or play.

Enjoy flexible luggage space or increased legroom with sliding and removable rail seats, standard on Family and VIP grades.

Your passengers can relax, entertain or work in comfortable surroundings thanks to a rail-mounted rear passenger lounge table[§].

For when you need to carry even more luggage than normal, the upright folding seats – standard from Shuttle grade – can be tipped so you can utilise every inch of available loading space.

Shuttle

* Not available on Shuttle grade.
§ Standard on VIP grade.

Thoughtful features and innovative technology combine to make life easier and your drives comfortable and safe.

The Proace Verso is guaranteed to impress with a suite of advanced features. A panoramic glass roof*, an opening tailgate rear window[§] and a motorised sliding door[¶] provide thoughtful features that you'll wonder how you lived without. Together with a high standard specification, you'll be able to appreciate a new level of refinement on your journeys.

Enjoy a real helping hand when you need it most with the handsfree motorised sliding door[¶] which operates by simply waving your foot underneath the rear bumper for impressive convenience.

Model shown: VIP grade

CONVENIENCE YOU'LL REALLY APPRECIATE

The Toyota Skyview** adds an even more premium feel to the interior. This large panoramic glass roof brightens the cabin with warm, natural light.

Proace Verso's motorised sliding doors[¶] are activated by a simple pull on the exterior or interior door handles. This function can also be activated via buttons on your key-fob, dashboard and B-pillar or you can simply wave your foot beneath the rear bumper; entering or exiting the rear seats has never been so easy.

An opening tailgate rear window – a standard feature on Family and VIP grades – offers quick and easy access to the luggage compartment without needing to open the tailgate.

* Standard on VIP grade. Optional on Family grade as part of the Premium Pack.

§ Standard on Family and VIP grades.

¶ Standard on VIP grade only.

FUEL-SAVING POWER

Advanced diesel engines and smooth transmissions combine cost-saving fuel efficiency with great driveability.

With a complete line-up of advanced diesel engines and smooth transmissions, the Proace Verso gives you power to match its load-lugging ability and fuel efficiency that you'll appreciate at the pumps. With its responsive 2.0 litre diesel engine, and a choice of 6-speed manual or 8-speed automatic transmission, this powertrain can cope with every demand. By incorporating start and stop technology across the range, the Proace Verso offers impressive fuel economy and CO₂ emissions from 185 g/km*.

* Combined cycle.

Forward Collision Warning alerts the driver to react to a situation of risk of imminent collision. A visual and audible warning is emitted. This action comes just before Autonomous Emergency Braking (AEB) is triggered.

The Proace Verso was awarded a 5-star rating from the safety testing organisation Euro NCAP.

Pre-Collision System reduces injury to passengers:

- 0-18 mph: prevents collision with moving or fixed obstacles, including pedestrians
- above 18 mph: speed reduction before impact

System automatically co-ordinated with Autonomous Emergency Braking (AEB).

Adaptive Cruise Control
Maintains a safe distance to the vehicle ahead by adjusting driving speed automatically. This system is particularly useful for heavy, fluid traffic that would involve frequent changes of speed.

SAFETY COMES FIRST

A range of advanced safety features helps to keep you and your passengers out of harm's way.

When business or family life takes you on the road every day, you want to know that you're travelling in safe hands. With Toyota Safety Sense* in the Proace Verso, you're doing just that. The wide range of innovative Toyota Safety Sense systems include:

- Adaptive Cruise Control[§]
- Colour TFT multi-information display
- Pre-Collision System with Pedestrian Detection
- Dashboard storage

Combining all these features with a 5-star Euro NCAP safety rating makes the Proace Verso a safe place to spend a busy working day.

Extra TSS on VIP ONLY

- Blind spot Monitor (BSM)
- Driver Attention Alert
- Automatic High beam (AHB)
- Lane Departure Alert (LDA)
- Road Sign Assist (RSA)

* Standard on Family and VIP grades. Optional on Shuttle grade.

[§] The Adaptive Cruise Control system is able to reduce its speed to 12 mph, acting only on the accelerator. There is no active braking action.

All active safety technologies are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

PROACE VERSO SHUTTLE

Main features

- 9-seat configuration
- 16" Steel wheels with wheel caps (5-triple-spoke)
- 7" Pro Touch® multimedia system with Smartphone integration incl Apple CarPlay & Android Auto™, and Go Navigation

OWNING YOUR PROACE VERSO

Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Toyota Price Repairs

We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/parts-accessories/parts

MyT

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **MyT**. Packed with time-saving and convenient features, **MyT** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **MyT** app now available on iTunes and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/accessories

Toyota Roadside Assistance

When you buy a new Toyota you will automatically receive 12 months' Roadside Assistance in the UK and Europe, free of charge. After the first year you can renew this cover at £76 for 12 months or £135 for 24 months by calling 0344 701 6201 or visiting toyota.co.uk/roadside-assistance/

Get up to 10 years/100,000 miles Toyota Warranty*

Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/relax

Corrosion Cover

The 6-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 6-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Business Centre

Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit toyota.co.uk/business-customers

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services

All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

* Prices correct at time of going to print.

TOYOTA PROFESSIONAL

Toyota know that your business is more than just a business, which is why we have created a range of commercial vehicles you can trust. Choose from our Proace City, Proace, Land Cruiser Commercial or the legendary Hilux and put your business in safe hands. Our dedicated Toyota Professional Centres are on hand to keep you moving. With highly trained technicians and a comprehensive range of services built around you, Toyota Professional offers you the back-up you need for total peace of mind.

MOBILE OFFICE

Should you need to bring your van in for a service, we have all the facilities on hand to make your visit a productive one, with free wi-fi, coffee, and a free wash and vac to top it all off.

SERVICE AT YOUR CONVENIENCE

To help you plan your time efficiently, we will offer you a service slot within 7 days of requesting one.

FIVE YEARS' ROADSIDE ASSISTANCE

It's reassuring to know that you are never alone: we provide 5 years' free roadside assistance as standard on all of our new commercial vehicles.

YOUR COMPLETE PEACE OF MIND WITH TOYOTA

GET UP TO 10 YEARS/100,000 MILES TOYOTA WARRANTY*

Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service. For full details, please ask your official Toyota Centre or visit toyota.co.uk/relax

LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle[§].

For more information on peace of mind visit: www.toyota.co.uk/business-customers/toyota-professional

* Prices correct at time of going to print. [§] Check with your retailer for specific warranty details.

FOR A CLEANER WORLD

Announced in 2015, our global Environmental Challenge 2050 comprises of six challenges. They cover every aspect of our business, our exploration of new products and technologies, and our role as an enabler for individuals and communities to learn about and improve the natural world around them.

For more information regarding Toyota Environmental Challenge please visit: toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050 or contact your local Toyota dealer.

CHALLENGE 1

NEW VEHICLE – ZERO CO₂ EMISSIONS

By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

CHALLENGE 2

LIFE CYCLE – ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

CHALLENGE 3

PLANT – ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

CHALLENGE 4

MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

CHALLENGE 5

ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Proace Verso is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'. We are pursuing full life cycle management for battery recovery & reuse and remanufacturing green parts.

CHALLENGE 6

ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That's why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and Paralympics GB.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.

PROACE VERSO. A SMOOTH DRIVE EQUIPPED FOR AN EASY LIFE.

www.toyota.co.uk/proaceverso

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Quoted mpg and CO₂: Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real-life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load. All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures. The official CO₂ figures for vehicles changed as from 6 April 2020, due to a change in the official method of calculation. CO₂ figures are used in the calculation of Vehicle Excise Duty (car tax) for new cars during their first year of registration. As a result, all CO₂ figures, car tax and 'on the road' prices for new vehicles, which were provided or displayed prior to 6 April 2020, may now have changed for vehicles which were not registered before that date. These dates may change, please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information.

Please contact your local Toyota Centre for further information.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
